Henderson, NV 89015

Re.: Nevada Division of Environmental Protection Response to:  
Data Validation Summary Report – Dataset #14  
Dated October 2006  
NDEP Facility ID# H-000688

Dear Mr. Paris:

The NDEP has received and reviewed BRC's correspondence identified above and finds that the document is acceptable with the following exception:

The database is missing the detect of fluoranthene (770 ug/kg) in sample CPS-B1. The laboratory report (file 14 L0012130) has the results for this sample on page 4. The NDEP cannot verify if every sample has been included in the database and this omission is concerning. Please verify the completeness of the project database and advise the NDEP of any additional omissions.

It is not necessary to resubmit the report. Should you have any questions or concerns, please do not hesitate to contact me at (702) 486-2850x247.

Sincerely,

Brian A. Rakvica, P.E.  
Supervisor, Special Projects Branch  
Bureau of Corrective Actions
