Re.: Nevada Division of Environmental Protection Response to:
Data Validation Summary Reports – Datasets # 7a and 21
Dated July 21, 2006 and July 2006, respectively
NDEP Facility ID# H-000688

Dear Mr. Paris:

The NDEP has received and reviewed BRC's correspondence identified above and provides the following comments:

Dataset #7a

This data validation summary report is acceptable.

Dataset #21

1. Laboratory Reports. Three laboratory report files were included in Appendix A: L0105265QA, L0105269QC, and L0105272QC. None of these files contain sample results. The DVSR needs to include the laboratory reports that contains the case narratives and sample results in addition to the QC files.
2. Tables 2-3 to 2-6. Tables 2-3 though 2-6 need to include the percent recovery and/or RPD for the QC samples associated with these samples.

Please revise and resubmit the report.
